General Report Comments: Mr. Joshua the owner granted me access to the property. I told Mr. Joshua why I'm here and he let me do an inspection. In the front of the yard I saw 1x brown and white pitbull female called Angel on a +-8meter long rope with a collar. Shelter,water and food is available. Body condition is acceptable. We then went to the back where I observed 1x white and brown pitbull female called Cassie who is loose,I asked Mr. Joshua why Angel is chained and Cassie is loose and he told me that Cassie is younger then Angel and Cassie wants to play and Angel doesn't,and they almost fight if they haven't intervened,and also the yard in front is not fully enclosed. Cassie's body condition is acceptable.Shelter,water and food is available. Mr. Joshua would really like to sterilize the 2x female dogs because he don't want puppies anymore. I told Mr. Joshua that I will speak to my manager. Will follow up.
