VETERINARY PROBLEMS / HEALTH CO	Yes ***	Other dog appeared to have cancer on belly
CONFINEMENT OF ANIMALS	Static Chain - inadequate length **	Troubling the farmers

General Report Comments: On my arrival, I met Mr Alliston Fryster and Mr Hennie Booysen, Mr Daniel left a message for the spca to take his pitbull dog as he can not maintain to look after it according to Mr Alliston Fryster. I then took the dog as a surrender and brought it to the spca Darling and was humanely euthanized, see admission no. D15806. And Mr Hennie also had a black&white Africanis that appeared to have a growth cancer on the belly, he then surrendered the dog and I brought it to the spca Darling and was humanely euthanized, see admission no. E3701.

I tried to reach the complainant on the 19th May 2026 after I collected the dogs at the Groenriver farm Riebeek West, wanting to notify him about the outcomes/assessment, but unfortunately he did not answer my calls.
