| CONFINEMENT OF ANIMALS          | Tethered *** | The property is not fully enclosed. |

General Report Comments: I went to do a follow inspection to see if the owner has adhered to my warning. The brown terrier x dog is still tied with a rope without a collar. The rope has been extended but the way the dog is tied is still unacceptable. There is still no shelter for the dog. There is also unnecessary stuff lying in the dogs living area. I issued another warning W6364. Will follow up.
