General Report Comments: Upon arrival I was met by the owner Mrs. Landie Kok. I explained to Mrs. Kok why I'm here and she granted me access to the property. On the property I observed 1x Ginger and white domestic short hair cat,male,unsterilized. There are no dogs on the property. The cat was lying on the bonnet of the car. The cat is in acceptable condition. Water and food is provided. According to Mrs. Kok the neighbour at the back are furious because her cat is always in her yard. I went to the complainant who lives in the street at the back and I explained to her that she must call law enforcement if she has issues with the cat always being on her property. NFA until further notice.
