General Report Comments: On my arrival, I met Mrs Skreen Anos, I observed the brown and white puppy, it appeared physically looking good in condition with no veterinary problems or health concerns. The puppy was roaming freely and was at house no 2115 neighbors, because Mrs Skreen property was not adequately fenced and had no gate, the puppy was able go in and outside the property.
The puppy was not chained, and had no physically signs of being abused (no wounds and scars), it was friendly.
Water was available, shelter was available and living environment was cleaned.
I educated the owner about keeping in future the animals in her property by putting adequate fence.
The owner surrendered the puppy because it causes fights between her and some of the neighbors they don't like the puppy coming into their properties, see admission no. E3706 .
