General Report Comments: On my arrival, I did not find anyone available in the property, I did observed a chocolate to black in colour Labrador cross breed dog through the fence, the dog appeared physically looking good in condition with no veterinary problems or health concerns. There was also a brown plastic material dog kennel/house enough in size to occupy the dog size. There was available a silver metal bowl close to the dog. The environment was cleaned, the space was sufficient. The neighbor by the name of Mrs Sheree in house no. 28 Bloem Street also came out and asked what is the problem and she was also confused as there was nothing wrong with the dog.
I tried to contact the complainant of the 30 May 2026 and 31 May 2026 to give him/her a feedback but the number was on voicemail.
