General Report Comments: On my arrival in illengulethu Malmesbury doing animals welfare door to door inspection, I saw a Brown and black Africanis dog on the street it looked not good (skin problem possibly mange) i then got close to the dog but it kept moving until it got into house no 5993 Goniwe street it was roaming freely close to its home outside the premises by that time I saw it, then i knocked and a lady by the name of Wendy came out, I introduced myself, then asked her If the dog lived with them she said yes it's her mother's dog (Mrs Cinthia Jantjies 0734386341), I then issued a notice to comply and gave I to Wendy to hand it over to her mother, refer attached.
Wendy did not allow me to get inside the premises to do proper inspection , she said I must speak to her mother and by that time her mother was at work not home.
