General Report Comments: On my arrival in illengulethu Malmesbury doing animals welfare door to door inspection, I went to house no. 95 Tinktinkie Street, there I observed 2 dogs, of which one was on a tangled static chain, and the other one was loose lying inside the yard on the gate, I viewed all the dogs over the fence from outside the property because know one was available in the property when I tried to knock. I then issued a notice to comply and left it at the gate, see attached.
