General Report Comments: On my arrival at no. 15th Avenue street and 16th Avenue street in Darling, I observed a brown male horse grazing on the field publicly , It was physically looking to have a wound that looked as well swelling on its back(bank).
I then tried to get closer to the horse but it kept going away from me as it looked like being scared, the more I tried to get closer it runned away from me.
I then asked a member of the public who was passing by in 16th Avenue street(he said the owner of the horse his name is Jaywin lives in no.45 Dahlia street), I then went to the address in Dahlia street there I found the owner Mr Jaywin, he said the horse was kept being stolen by some people and seems they were riding it until it got wounded on its back.

Mr Jaywin went to the horse to try catch but it runned far distance away from him, I then issued him with a 24 hours notice to comply to provide the horse with adequate veterinary treatment, see attached notice to comply.
