General Report Comments: On my arrival doing door to door welfare inspection in Malmesbury, I went to house no 46 Tinktinkie Street, I met Mr Koopman, I observed a dog lying outside the property at the date opened, the appeared physically not looking good in condition(possibly mange).
The also also said he wants to surrender the dog.
Water was available, living environment was, and shelter was available.
I then took the dog and brought it to the spca Darling and was humanely euthanized, see admission no. E3702.
