General Report Comments: On my arrival in Moorreesburg Plakkerskap section doing door to door animals welfare inspection, I went to house no B-6361 and there I met Mr Fredds Moholo, I observed a brown and white Africanis dog lying in its kennel, the dog appeared physically injured on its right back leg(due to dog multiple bites according to the owner). The owner said it's been about 2 weeks and he wants to surrender the dog, I then took the dog and brought it to the spca Darling and was humanely euthanized, see admission no. E3710
