General Report Comments: On my in Moorreesburg plakerskamp section doing door to door animals welfare inspection, I saw a chocolate brown Africanis dog roaming on the street, the dog appeared physically not looking good in condition (possibly mange), the owner came to the dog only to find that It was close to its home property, then the owner immediately said he wants to surrender the dog because it doesn't look good in condition, I then took the dog and brought it to the spca Darling and was humanely euthanized, see admission no E3711.
