General Report Comments: On my arrival in Abbotsdale doing door to door animals welfare inspection , I saw a black&brown terrier cross dog roaming on the street, the appeared physically not looking good (possibly mange), I then asked around and they showed me the house where the dog belongs, I then went to the house of which is house no. 129 Vliootjie street, there I met Mr Colen Charles also know as the owner of the dog, he immediately said wants the dog to be taken by the spca, I then took the dog and brought it to the spca Darling and was humanely euthanized, see admission no. E3713. There was only this dog in the property.
