Good day Rudi,

Further to your request below, our Inspector attended Hopefield Road in Chatsworth to conduct the follow-up inspection.

Unfortunately, despite spending approximately an hour in the area, we were unable to locate a property numbered 127 Hopefield Road. We also did not observe any dogs matching the description at any of the properties along the road.

In an effort to trace the correct location, our Inspector spoke to several residents in the area and showed them the profile photograph associated with the WhatsApp number provided. None of the residents recognised the individual, nor were they aware of anyone by that name who had recently moved into the area with dogs.

At this stage, we have been unable to identify the property or the animals concerned. Could you please verify the address and provide any additional information that may assist us in locating the correct premises?

We will gladly follow up once the correct details have been received.

Kind regards,
LOUISE VAN ZYL 2026-06-23 13:12
