Comments:	On my arrival in tiger street new Asla Darling , I find a black and tan male Africanis breed dog with kids on the street, only one girl kid was able to touch the dog, the dog appeared physically injured in that it's tail was short due to biting and was bleeding and it's back part close to the anus bottom was badly open. I collected the dog as a stray and brought it to the spca Darling and was humanely euthanized. See admission no E3580. NFA.
