General Report Comments: Upon my arrival I was met by Mr. Mukuyane the owner. I was glad to see that the female dog was loose and lying on the porch at the neighbours house. Mr. Mukuyane also provided the dog with adequate shelter,the dogs living conditions has improved,there were blankets inside the makeshift kennel. Water was also provided. I advised Mr. Mukuyane to put a pellet on bricks inside the shelter so that it is raised from the ground especially when it rains. Mr. Mukuyane understood and said that he will find a pellet and do so. I educated about sterilisation and the benefits thereof,Mr. Mukuyane said that he will think about it. I will do another recheck to put more pressure on Mr. Mukuyane about the sterilisation.
