CONFINEMENT OF ANIMALS	Static Chain - adequate length According to Mrs. Modise the dog Max keeps getting out and v

General Report Comments: Finally I found someone at home. I was granted access to the property by Mrs. Katrina Modise who is the owner of the Jack Russel terrier x male called Max. Mrs. Modise told me that she is sorry for not reaching out to me because she does not have a phone. Today she got off from work that's why I found her at home. Mrs. Modise got a longer light weight static chain from someone in the village and also a proper collar. I could see that Max is on a longer chain with a collar. The chain is about 6 meters long. Water bowl is clean and in the shade,blanket I side the kennel. Mrs. Modise said that someone is going to install the wire for her,then Max will be put on the running chain. I will do another recheck.
