General Report Comments: I went to do a follow inspection to see if the owner Mr. Coetzee has adhered to the warning. Upon arrival there was no people at home. I went inside the yard,no people present. The dog Eilla was roaming outside. The pitbull x male Zulu is still on a short chain,living area has been cleaned. No sign of treatment being used on the wound. No people at home so I don't know if the dogs have adequate food available. I issued another warning and extended the time frame to see if the owner Mr. Coetzee will improve the dog Zulus living conditions. Will follow up.
