General Report Comments: The SPCA received a complaint about a dog that is tied to a tree trunk. Upon arrival there were no people at home but I did see 1x black and brown terrier x female inside the yard. The fake dog is loose and not tied to a tree trunk, although there is a tree trunk I did not observe a chain or rope. The property is fully enclosed so I could not gain access. I left a warning W6378 for the owner to contact me. Will follow up.
