General Report Comments: I was met by Mr. Arendse at the property. Mr. Arendse told me that he has installed the runner but the wire has snapped. Mr. Arendse took me to where he installed the runner and I saw that the steel wire has snapped. Mr. Arendse told me that a friend of his is going to bring him a cable. Cody's chain has been extended and is now longer then before. Water and shelter is available. Because Cody's chain has been extended and he has more space to move I'm not going to do a recheck. The owner has done what I've asked but the wire snapped. Water bowl has also been cleaned. NFA until further notice.
