General Report Comments: There is two adult female pitbuls on the property namely Bullokash and Silky. Bullokash have six puppies, one female and five males. There is one adult pitbul male dog named Santoro. There is also a juvenile female Pitbul which Mr Cupido claimed was his friend's and he claimed that the owner was coming to fetch her in a day's time. The following is the overview of all the dogs living environment.

(1)Bullokash:
Bullokash is a brown + white female pitbul dog. She have got six puppies of which five are males and one is a female. Bullokash is on a static chain of about 2-3m long with a collar around her neck. Bullokash have access to fresh drinking water and shelter. The living environment around Bullokash's kennel is clean.

(2)J-Lo:
J-Lo is a female white + black pitbul terrier dog. Her body condition is fair and acceptable. J-Lo belongs to Mr Cupido's friend and she is sleeping inside the house. I observed fresh drinking water and food meant for her.

(3)Santoro:
Santoro is a male pitbul terrier dog brown and white in color. He is one and half years old and is not castrated. Santoro is running freely inside the property at the back together with another dog named Silky. Santoro have access to fresh drinking water and shelter.

(4)Silky
Silky is a three year old tan and white female pitbul terrier dog. Silky is the only dog that is sterilized on the property. She is loose at the back of the property together with Santoro. Silky have access to fresh drinking water and shelter.

The body condition of all the dogs on the property is fair and acceptable. I issued a warning advising Mr Roberto Cupido to remove the dog named Bullokash from the short static chain.
