General Report Comments: Upon my arrival I was met by Natasha Theunissen the owner of the shelter, Dogs deserve better. I told Natasha that the SPCA has received a complaint regarding her shelter and that I am here to do an inspection. Natasha granted me access to the property. There are +- 40 dogs on the property. I asked Natasha about the dog with the skin condition that my colleague field officer Baloyi saw and she told me the dog is at Bergzicht animal hospital for treatment. I contacted Bergzicht animal hospital and they confirmed that the dog is there. Enclosures were clean, fresh water and shelter is available. Blankets inside the kennels. According to Natasha all the dogs are sterilized. I asked her about the food and she showed me a 40kg Trusty dog food, and then she took out her phone and showed me the order on Takealot that she has ordered that should arrive tomorrow. I did not see any injured or sick dog at the shelter. Will do a routine recheck.
