General Report Comments: I was met by Elton Abrahams who is the owner of the dog. Elton told me that he think someone hit his dog called Lucy that's why she is limping. I saw Lucy a brown and white pitbull x female inside the yard. Lucy could not put any pressure on the paw and it looked like it is broken. I asked Elton if he can afford a vet and he said no,I asked Elton to surrender Lucy because we don't want to prolong her suffering if his financially unable to take her to the vet. Elton agreed and surrendered Lucy. Refer to admission E2008. No other animals on the property. NFA until further notice.
