General Report Comments: The owner of the dog was not at home and I spoke with his uncle who introduced himself as Derick Jaars. The dog named Killer is on a long static chain but the chain is tied far away from the kennel which makes it difficult for the dog to lye comfortably inside the kennel . Killer is a bit underweight and his body condition needs to improve. The living environment is clean. I observed fresh drinking water,a collar and shelter. I issued a warning advising Mr Geraldo Jacobs to:
(1)provide adequate food for Killer
(2)to not tie the dog far away from the kennel.
