General Report Comments: On my arrival, I was welcomed by Mrs Mietjie Johanna Jonker, I introduced myself to her and explained my visit to her property, she then gave me a permission to conduct animals welfare inspection, I then observed Africanis dog brown and black female 3 years named Suzie, and africanis black and white male dog of 1year 3 months named Seizer, and Jack russel cross brown+white male adult named TJ.
All the dogs appeared physically looking good in condition with no veterinary problems or health concerns.
Shelter was available and living environment was cleaned and water was available.
The owner said she doesn't want the dog named Seizer anymore because it is troubling people and keep escaping out the property, I then took the dog as a surrender and brought it to the spca Darling, see admission no E3579. I educated the owner about sterilization.
