General Report Comments: I saw 1x brown Africanis x male dog on a running chain without a collar . I stopped and a lady who introduced herself as Treasure Kuilders ,who told me that she is the owner of the dog. The dog has water and shelter available and his body condition is acceptable. I explained to Mrs. Kuilders that the bare chain around the dogs neck is not acceptable and that it can cause injury if left unnoticed. I issued warning W6369 to provide the dog Max with a proper collar. Will follow up.
