General Report Comments: I observed this adult male brown in color Pitbul X dog eating from a dumping place in the street. The dog's body condition is not acceptable as he is thin and has a skin condition. I asked around and I was informed that Mr Andrew Ruiters was the owner of the dog. I approached Mr Ruiters and he let me inside his property to do the inspection. I observed only drinking water meant for Bruno. There is no shelter available for the dog. There is no food for the dog. I issued a warning advising Mr Ruiters to:

- (1) provide adequate food for Bruno
- (2) provide adequate shelter for Bruno
- (3) seek treatment for the skin condition on Bruno.

I informed Mr Ruiters that if non of the above issues was not resolved until Friday I will remove the dog and he agreed.
