General Report Comments: After being to this address twice already I finally found someone at home. Mrs. Erasmus came out when I was calling and hooting. I asked Mrs. Erasmus if the neighbor has given them the warnings I've issued before and she said no,she knows nothing about any warnings. The dog Benjamin living conditions is still the same and nothing has changed. I explained to Mrs. Erasmus my welfare concerns regarding Benjamin and told her that his living conditions must improve otherwise they leave me with no choice but to confiscate the dog. Mrs. Erasmus understood and said that she will talk to her husband tonight. I issued another warning W6391. Will follow up.
