General Report Comments: I met the owner Mr. Brandt at his house. Mr. Brandt told me that they had to put Zeus on a rope again because he keeps on fighting through the fence with the neighbours dog and he and his neighbour got into a verbal fight. Zeus has been put on a long rope with a collar. The rope is long enough for him to reach his kennel and water. Living area is clean. Body condition is acceptable. Zeus has more space then he had before. NFA until further notice.
