| CONFINEMENT OF ANIMALS          | Static Chain - inadequate length ** | Unknown as there were no people at home. |

General Report Comments: While doing door to door I came across a juvenile German Shepherd mix dog on a short chain. I stopped,nobody was at home. The dog is tied next to the fence. I could not make out the length of the chain as there is a lot of rocks in the dogs living space. No water or shelter is available. The dogs body condition is acceptable,3/5. I issued warning W6374. Will follow up.
