General Report Comments: Upon my arrival I saw the German Shepherd mix,Alic in the neighbours yard. Mrs. Erasmus came out and told me that they are keeping him loose until her husband have installed the wire for the running chain. I asked her about the shelter,and she said that her husband is still waiting for someone to bring him pellets so that he can make a kennel,bit for the meantime they let Alic sleep inside the house. Water is available. I explained to Mrs.Erasmus that winter is coming and that Alic must have shelter outside,she said that she will remind her husband. On my way out Alic was playing with the kids in the street, chasing after a ball the kicking. Will follow up.
