General Report Comments: Upon my arrival I found Mr. Erasmus at home. The dog Alic is still loose on the property. Mr. Erasmus told me that he got Alic some temporary shelter as he is still waiting for his friend to bring him pellets so that he can build Alic a kennel. The shelter provided is a plastic container which is big enough for Alic. Inside the shelter I observed a blanket. Water is also available. Alic is still loose and he has some shelter to hide from the weather elements. NFA until further notice.
