General Report Comments: On my arrival doing door to door welfare inspection in DE Hoop Malmesbury, at this property I was welcomed by Mr Clayton, I observed a female black adult Africanis dog with its two puppies, of all appeared physically not looking good in condition (possibly mange), the owner said wanted to get rid of the dogs, I then took the dogs and brought them to spca Darling and was humanely euthanized, see admission E3548, E3549 and E3550.
