General Report Comments: On my arrival in De hoop JAKKALSVOEL street house no 12764 Malmesbury, I was welcomed by Mr Evano Baadjies, I observed a brown male dog of 3 years named Biscuit, Shelter was available and living environment was cleaned. Biscuit appeared physically looking good in condition with no veterinary problems or health concerns. Biscuit was on a static chain of 6 meters long light chain to the collar because the property was not fenced. I educated the owner about sterilization and putting the dog on a running chain. NFA.
