General Report Comments: On my arrival in Malmesbury DE Hoop section house no 12581 Korhaan street, I was welcomed by Mr Andrias the owner of the dog, there I observed a light brown male Africanis dog of 3-4 years named Browny roaming freely inside the property. Shelter was available and living environment was cleaned.
Browny appeared physically looking good in condition with no veterinary problems or health concerns.
I educated the owner about sterilization. NFA.
