General Report Comments: I found the owner Mrs. Zaza at home. I asked her if she has received the warning and she said yes, I could see that the kennel has been fixed and the dog has water available, but the dog is still on a short chain. Mrs. Zaza told me that she was confused and did not know what a running chain is. I explained to her what a running chain is and how to install it. Mrs. Zaza understood and said that she will ask her neighbours husband to help her with the runner. I also asked her to clean the dogs living area as there is bricks and planks lying in his way. I issued another warning W6258. Will follow up.
