General Report Comments: I saw 1x brown and white pitbull x male with severe mange sitting in front of a house. I stopped but there was no people at home. I could not enter the property to see if the dog has water,food and shelter available. As I was writing out warning W6396 a young man approached the SPCA vechile. The young man introduced himself as Justin Dolf,owner of the dog called Loukie's brother. I asked Justin if his brother is treating the dog for th mange and he said no his brother does not care about the dog. Justin's brother was not at home,I asked Justin if he would surrender the dog and he said yes because he can't see the dog suffering like this. Refer to admission E2006. There is no other dogs on the property. NFA until further notice.
