General Report Comments: While doing door to door I saw this tan female boerboel inside the yard and it look to me if she had puppies. I stopped got out and walked to the gate,another dog came from the back,German Shepherd mix male very aggressive. The fake boerboel is a bit underweight due to having puppies. The garage door was open and I called,a lady came out and introduced herself as Mrs. Fortuin. Mrs. Fortuin told me that her husband,Dario Fortuin is the owner of the dogs. I asked Mrs. Fortuin how many puppies did the female have and she said 7 puppies that's about 4 weeks old. Both dogs are lose on the property. Water,food and shelter is available. I talked to Mrs. Fortuin about sterilization as she told me they did not plan for the boerboel female to get pregnant. I also advised Mrs. Fortuin that her husband should deworm the female dog. I issued warning W6400. Will follow up.
