General Report Comments: I found a young man Quinton at home. Quinton told me that they are still waiting for a friend to bring them a strong cable to put Polla the pitbull male on a runner. Polla's chain has been extended a bit and he a bit more space then before. Water and shelter is available and his living area is also clean . Quinton told me that they should be able to do the runner over weekend because the friend said that he will bring the cable this week. Will do a recheck.
