General Report Comments: Upon my arrival I saw that Ounooi was loose on the property. Mrs. Markus was sitting inside the yard. I asked dames. Markus if they have gotten the collar for Ounooi and she said that she is still waiting for her brother to bring her a collar,because he said she does not have to buy one because he has a collar for her dog Ounooi. Mrs. Markus said that she will keep Ounooi loose for the time being,and will put her on the chain again once her brother brings her the collar. Will follow up.
