General Report Comments: On my arrival in Malmesbury Wesbank doing door to door animals welfare inspection , I saw a Brown wirehaired terrier cross lying on the side of the street, as I got closer, a lady by the name of Morelete came out of the house no 12703 JAKKALSV OEL street were the dog was lying on the street in front of the house address mentioned above.

The dog appeared physically heavily pregnant, and as I arrived to the dog, there was another same breed of the same size(small) also a female of which it appeared physically looking reasonable in condition, Mrs Morelete then said they don't want the dogs anymore because their property was not fenced and the female dog named Daisy is pregnant they won't be able to look after the dogs anymore.

I then collected both dogs as surrenders and brought them to spca Darling and the heavily pregnant dog was humanely euthanized, see admissions no. E3574 and E3573. NFA.
