CONFINEMENT OF ANIMALS	Free roaming - property not adequ	

General Report Comments: While being proactive I saw this brown terrier x female that is underweight wandering in the street,I followed the dog to number 10 Mika str, Vredenburg. I stopped hooted a few times and a man who introduced himself as Darren Adonis came out. I asked Mr. Adonis if the brown female terrier x that just went into the yard belongs to him and he said yes. I asked Mr. Adonis why the dog is so underweight and if he has food for the dog. Mr. Adonis said that he does not have food at the moment,I asked him to enter the property where we went to the back of the property where I observed the brown female terrier x and 3x other dogs with skin problems. I asked Mr Adonis if the other 3x dogs also belongs to him and he said yes. I could clearly see that Mr. Adonis is unable to care for these dogs and I asked him to surrender the dogs which he did. Refer to admissions E2013,E2014,E2015,E2016. No other animals on the property. NFA until further notice.
