General Report Comments: On my arrival, I met a guy named Mr Jan-waad, there I observed a brown male pitbull cross named wizzy, 6 years of age , of which wizzy appeared physically not looking good(looked sick and underweight), adequate shelter was available, water was available, and living environment was cleaned.
The owner said he has been looking to reach spca but he doesn't have a cell phone and he did tried to ask one of the lady who does outreaches sometimes in Chatsworth to come collect his dog and ever since she said will come back to collect the dog, said the owner Mr Jan-waad.
I then collected the dog as a surrender and brought it to the spca Darling and was humanely euthanized, see admission no E3578.
