General Report Comments: I saw 1x brown Collie x male wandering in the street,I could see that the dog has a skin problem and is also a bit underweight. I asked some kids in the street who the dog belongs too and they went to show me the house. I hooted a few times and a lady who introduced herself as Ms. Jeanene DE Bruin came out. I asked Ms. De Bruin who the owner of the Collie x male in the street is and she said she is the owner. I asked her why the dog is in such condition and she could not answer me. I asked her if she wants to surrender the dog called Stich as I can see that she unable to care for him,Ms. De Bruin agreed and surrendered Stich to the SPCA. Refer to admission E2021. There are no other dogs or any animal on the property. NFA until further notice.
