General Report Comments: I saw 3x puppies inside this property,I stopped to get a closer look at puppies. The 3x puppies all females are underweight. I called and a woman who introduced herself as Mrs. Hector came out,I asked her if she is the owner and she said yes,I then asked her why the puppies are underweight and if she has adequate dog food for them. Mrs. Hector told me that she can't afford to buy puppy food and that he son got the puppies from a friend. I convinced Mrs. Hector to surrender the puppies as she is financially unable to care for them. Mrs. Hector decided to surrender the 3x female puppies. Refer to admissions E2018,E2019,E2020. No other animals on the property. NFA until further notice.
