Comments:	On my arrival in Moorreesburg doing animals door to door welfare inspection, I went to house no 19 Patryssirkel street, there I was welcomed by Mrs Lize Daniels, I introduced myself and explained my visit to her property, I then observed 2 black+white adult cats named Hoopy and other one named Kichi. Kichi appeared physically disabled(old) and hoppy appeared physically looking reasonable in condition. Both cats lived in the house. The owner said she doesn't want the cats anymore, I then collected the cats and brought them to spca Darling and was humanely euthanized, see admissions no E1929 and E1930. NFA
