Comments:	On my arrival in Moorreesburg doing animals door to door welfare inspection, I went to house no 12 Palmboom street, there I was welcomed by Mrs Pietersen, I introduced myself and explained my visit to her property, I then observed a black female terrier cross of 4 years old named Roxy. Roxy appeared physically looking reasonable in condition, living inside the house, water was available and living environment was cleaned. The owner said she doesn't want the dog anymore as she have newborn child that she is looking after. I then collected the dog and brought it to the spca Darling and was humanely euthanized, see admission no E1931. NFA
