General Report Comments: There is five puppies and a juvenile female Pitbul dog named J-Lo on this property. Mr Cupido was not at home as he was said to be in Cape Town. His wife who introduced herself as Amelia Cupido granted me permission to enter into the property. I observed fresh drinking water, food and shelter. The living environment is clean. After finishing with the inspection I then contacted the complainant who sounded unhappy as he expects the SPCA to remove the dogs. I advised the complainant to report this property as his grievances are Municipal Bye-Law issues that can only be addressed by the Law Enforcement. There is no welfare concerns observed.
