General Report Comments: I was met by Mr. Haines at his property to do an welfare check on his dogs. Mr. Haines has 4x dogs. 3x Boerboels and 1x terrier x. The boerboel and the terrier x are both 14 years old. The boerboel still eats and drinks walks a bit slow but otherwise he is fine. The other dogs are also in acceptable conditions. Mr. Haines told me that he knows that one of these days he will have to make the hard decision of putting old boerboel to sleep but now is not the time. Water, food and shelter available for all the dogs. NFA until further notice.
