General Report Comments: On my arrival, I met Mr Gerhard Hanse a family member of the owner of the dog Mrs Nolisa Hanse, I introduced myself and explained my visit to their property, Mr Gerhard welcomed me into the property. I observed a brown+white German shepherd cross of +-3 years named Fire. Fire appeared physically looking good in condition with no veterinary problems or health concerns. Shelter was available and d broken on the front and one sided, and living environment was dirty(loose stones and feces).
Fire was on a static light chain of about 8 meters long to the collar. The property was not adequately fenced on the front with no gates, in that reason for fire placed in a static chain close to the parking shelter for the cars protecting the cars not to be stolen, said Mr Gerhard Hanse. I then issued a notice to comply and handed it to Mr Gerhard Hanse of which he accepted and signed the notice to hand it over to Mrs Nolisa Hanse, see notice to comply no I005761.
